School Updates - April 17

A NOTE TO FAMILIES

We hope this newsletter finds everyone doing well. Again, we would like to thank all of our families for assisting their children and teachers with distance learning. This is not an easy task for anyone, but we are so proud of the work our students are producing and completing. Please reach out to the school if you need any assistance. We will be happy to provide you with resources to get the answers you need.

Did you know you can get a library card without going to the library?

Parents can call 505-768-5170 to sign up for a card. If you need to talk to someone in Spanish, call 505-768-5152 and leave a message in Spanish for someone to call you back.

The library has digital books and resources available at <https://abqlibrary.org/digitalmedia> .

All you need is a current library card!

Cyber Safety

Cyber Safety is a big concern right now since everyone is communicating via the internet and other forms of social media. Here are some links to help guide parents on how to keep their children safe:

What is the Coronavirus?

It can be scary to hear about a disease outbreak, but learning the facts can help ease your mind. Here is a video designed to help kids understand what is happening:

Registration is now open for everyone and we would not want to see your student lose their spot. The registration link is:

Please contact the school if you need assistance.

Don't forget to check ECRA's website frequently for updates. Have a wonderful weekend!
