#### School Re-Entry Plans

We are currently updating our school re-entry plan based on the guidance that was received from the NMPED on Wednesday. We will be sending out a survey to families next week, to learn your thoughts about your students returning to school under different conditions as allowed by public health orders and/or maintaining an online learning environment. Your input is critical to this process and our strategic planning team will carefully review the survey results.

We know that everyone is ready to finalize our plans for school this fall. Please know that one way or another, our team at ECRA will continue providing high quality, engaging learning experiences for your child this fall! Thank you for your partnership and support as we navigate this new educational situation together! We will be taking all the necessary precautions to keep everyone safe and healthy!

#### Registration

If you have not registered your student for next year, you will need to fill out an intent form and will be put in our lottery process. The lottery will be held every 1<sup>st</sup> and 15<sup>th</sup> during May through July. The intent form can be found on our website at:
