WELCOME

Hello ECRA families!
Here are some more updates and information for February. Please let us know if you have any questions by calling the school at 505-314-2212. Enjoy your break and stay safe!

GRAB AND GO MEALS

Due to the break, Monday's meal pick up has been moved to Tuesday from 7:30 a.m. to 11:30 a.m.

Wednesday pick up will remain 1:30 p.m. to 5:30 p.m.

The days and times will go back to normal beginning February 22nd.

FAMILY SCIENCE NIGHT WITH EXPLORA

Family Science Night will be held virtually on March 3rd from 6:00-6:30 PM. A flyer with more information will be sent out soon.

TEEN SCIENCE CAFÉ

THURSDAY, FEBRUARY 18, 2021: 4:00 – 5:00 PM

Teen Science Cafe Comics! Part 1
Artist: Abigail Butler
Teens (grades 6-12)

Abby Butler is a local artist that works mostly in illustration and comics. She has been painting and drawing for over 10 years and has completed lots of awesome projects, including magazines and comic books.

Meet Abby and find out what it takes to make a living as a local artist while delving into the science and art of creating comics and telling stories through sequential art. You don't have to be artistic to enjoy this interactive presentation!

Part one of a three-part program. Learn what you can do with sequential art starting now! Abby will give you a short walkthrough of the different fields that you can enter when you are interested in making sequential art.

This 3-part workshop will cover mainly comic and graphic novel art but will discuss the similarities and entry points to animation and storyboard art as well.

FREE Virtual Event Register [Here](#). Registration is limited to 50 participants.

PICTURES

Do you have any pictures of your students working on school projects or anything having to do with school? If you would like to share images of them or their school work, please send them to denise.brown@ecracherter.org and indicate that they are for use in the newsletter, yearbook, or the school website.

The Hispanic Scholarship Fund's College 101 is a free, bilingual, three-hour workshop for middle and high school students and their families. HSF College 101 identifies and addresses the various steps necessary to plan for a college education. HSF College 101 sessions provide valuable information about how to prepare, plan and pay for college, apply for scholarships and research financial aid opportunities. The HSF College workshops are free but registration is required at <https://www.hsf.net/college-101> and are co-sponsored by the Hispanic Scholarship Fund, The Bridge of Southern New Mexico and the New Mexico State University Student Success Center and Undergraduate Admissions.

If any family has a positive case of COVID-19, please contact Brenda Garcia or Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!
