

## Family Science Night with Explora

Funded by

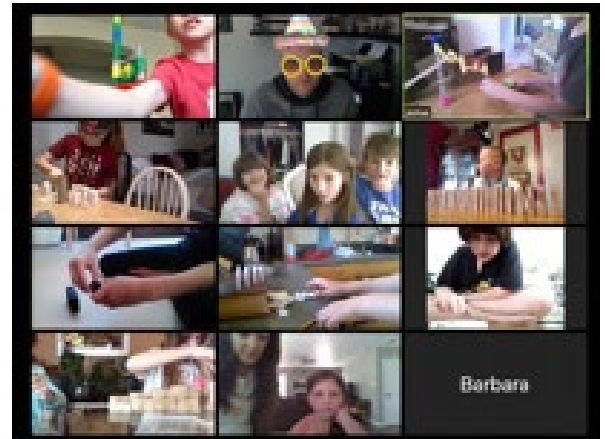

ALBUQUERQUE  
PUBLIC SCHOOLS Title I

When: March 3, 2021

Time: 6:00 PM-6:30 PM

Link: <https://meet.google.com/pgu-vwia-tyq>

**JOIN your ENTIRE school! See everyone!**

Come see our staff and their families having fun too! We'll have science demos and opportunities for you to try out your own experiments.

To try an experiment alongside us, you'll need;

- Large bowl
- Cup with water
- Index card or piece of paper 5 inches x 7 inches (cereal box would work, too)
- Metal pan or something flat and metal
- Plastic or wooden cutting board
- Five Ice cubes
- Dish soap
- Straw
- Pie pan (or other shallow dish with side walls)

If you do not have these materials, you can still participate!

Brought to you by APS Title I Explora partnership.
