ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE

(if you choose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
 - o Sore throat, runny nose, congestion
 - o New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
 - o Shortness of breath or difficulty breathing
 - o Diarrhea, vomiting
 - o Loss of taste or smell
 - o New onset of headache
 - o Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19.

DIGITAL SURVEY

Please be on the lookout for a short survey in your email early next week. It is about your student's digital services and needs. It will

only take a few minutes to complete and is required by the Public Education Department. Unfortunately, if our families do not participate, the schools funding can be negatively impacted.

MIDDLE AND HIGH SCHOOL EXHIBITIONS

Students are hard at work preparing for exhibitions. Invitations will be sent out soon so students can present what they have learned this year.

High School (grades 9-11): June 7-11

Middle School: June 14-18

WATER BOTTLES

We need your help! Students that are attending school onsite need to bring their filled water bottles to school every day. We are having to buy additional water bottles for students that forget to bring them. Please help us by making a water bottle check part of the morning or nightly routine.

If any family has a **positive case of COVID-19**, please contact Brenda Garcia or Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!
