## ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE

(if you chose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

**Please do not send your child to school.** Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
  - Sore throat, runny nose, congestion
  - New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
  - Shortness of breath or difficulty breathing
  - Diarrhea, vomiting
  - Loss of taste or smell
  - New onset of headache
  - Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?
5. Is anyone in the household waiting for COVID-19 test results? (Routine surveillance testing not included)

**Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19.**

## SCHOOL DEVICES

We will be contacting **all** families about picking up school devices. Families will be scheduled to come to the school to retrieve the devices and sign paperwork. A "Device Loan Agreement Form" will need to be signed before the students can take devices home with them.

## MATERIALS PICK UP

Materials pickup for remote students will begin Friday, August 6<sup>th</sup> from 1:30 to 4:30 and will continue every Friday at the same time. Please contact the school if you plan to pick up materials so we can be prepared for your arrival.

## FIRST DAY OF SCHOOL MANDATORY ATTENDANCE

Every student **must** be on campus for the first day of school if you chose option A or C in order to keep their spot for the year. Fully remote students will need to attend remotely.

**The following week will be a combination of virtual learning and assessment conferences. Here is a [link](#) to the assessment conference letter that recently went out to families.**

If any family has a **positive case of COVID-19**, please contact Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!

# Have a great week!
