GROWTH MINDSET

Helping kids to switch from a fixed mindset to a growth mindset can be tricky. Here are some tips that may help.

ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE (if you chose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
 - o Sore throat, runny nose, congestion
 - o New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
 - o Shortness of breath or difficulty breathing
 - o Diarrhea, vomiting
 - o Loss of taste or smell
 - o New onset of headache
 - o Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?
5. Is anyone in the household waiting for COVID-19 test results? (routine surveillance testing not included)

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19

SCHOOL UNIFORM VOUCHERS

We still have some uniform vouchers left! The Assistance League of Albuquerque has provided some uniform vouchers for K-8 ECRA families. **Please contact the office at ECRA if you are interested in receiving a voucher before they are gone.**

LEARNING OPTIONS

As a reminder, ECRA is operating with 3 learning options for students.

Option A: Students are onsite
Monday through Friday

Option B: Students are fully remote

Option C: Students are in remote learning Monday through Thursday and onsite on Fridays.

Families are asked to remain in the option they chose for the remainder of the semester with one exception. If you decided to have your child attend school for in person instruction every day and you later decide you would like to change to remote learning, you may do so at any time. You would just need to complete the [Change Request for Remote Learning](#) form and your student will be moved.

If any family has a **positive case of COVID-19**, please contact Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!
