 field 5  
 Mar. 22 - 4:30PM @ Bullhead  
 field 5

Mark your calendar. Registration for  
 2024-2025 School Year will be in early March.

# Community Connections

The Parent Portal for Infinite Campus is active! Thank you if you already set it up. If you have not, please check your email for instructions to set up your login.

Buy the brands you already love and make a difference for your school! Just scan your receipt within 14 days of purchase to earn cash for your school with every participating product you buy.

## IN-STORE

If you receive a paper receipt, a quick scan with the Box Tops app will identify participating products and automatically credit your school's earnings online.

## ONLINE

Whether you've ordered groceries for delivery or pickup, shopped through your store's app, or requested an email receipt at checkout, you can earn Box Tops with digital receipts too.

# McKinney-Vento Program

Homelessness among families has increased considerably in recent years and is most often due to unexpected financial setbacks that create a situation where the families can no longer pay for their housing. If you are experiencing homelessness, please complete this form so a referral can be made for possible assistance. The form also explains who may qualify and for what types of services. If you have any questions, please contact Denise -denise.brown@ecr charter.org.

- March 8th - Secondary HOWL Assembly
- March 14th-15th - Elementary Student Led Conferences - Secondary Classes remain on normal schedule.
- March 25th-April 1st - Spring Break (No School)

# Message from the Nurse

## ECRA Student Sick Day Guidelines

If your child becomes ill and doesn't feel well enough to take part in school, as parents or guardians, you should keep your child home until the symptoms improve. This can help to prevent the spread of the illness to others at school. These are some of the examples of when your child should be kept home:

- Vomiting in the last 12 hours
- Diarrhea three or more times in the last 12 hours or new onset diarrhea
- Airway infection (cold/cough/runny nose). This is especially important for those who are unable to manage their own body fluids or wear a mask consistently.
- Extreme tiredness and/or lack of appetite
- Fever of 100.1 or higher (must be fever free for 24 hours without fever reducing medications before returning to campus)
- New onset headache
- Body aches
- Untreated Earache
- Sore throat
- Untreated tooth or mouth pain
- Undiagnosed or unknown rash (a rash that has not been seen or treated by a health care provider)
- Any of the above symptoms with fever or chills
- Untreated skin conditions
- If antibiotic treatment is needed, your child should remain home for the first full 24 hours of medication (e.g., if your child has three doses per day ordered, then three doses must be given before the child returns to school).
- Your student may return to school when their symptoms are improving and they have had no fever for 24 hours without medication (any medication with a fever reducer like ibuprofen or acetaminophen).
- If any symptoms change, worsen, or do not get better please consult your student's healthcare provider.
- If any of the above occur as chronic symptoms please provide the school with a note from your student's healthcare provider regarding the diagnosis and symptoms that are chronic.
- If you have questions or are unsure if your student should attend school please contact the school nurse by email at [karin.luzzi@ecr charter.org](mailto:karin.luzzi@ecr charter.org) or by text or call at 505-510-1802.

Disinfectant wipes are a great tool against germs this time of year. Donations are welcome in the nurses office.
