WOLF GAZETTE

April 21, 2024

STEAM with Ms. Cambridge's, Mr. Murphy & Ms. Doyle's Classes

While building and erupting their own volcanos, students learned about how volcanoes have impacted the Earth's surface over time. A learning standard they covered was Earth & Space Sciences: MS-ESS-2.1 Develop a model to describe the cycling of Earth's materials and the internal and external flows of energy that drive the rock cycle processes. Best of all, it was great fun!

Community Connections

Enrollment is open for the 2024-2025 School Year!

Hello ECRA Families,

Registration for next school year is now open to our current families. Please login to your parent portal to access the registration documents. The deadline to register your students is May 3rd. After that, registration will open up to students in the lottery waiting list. Any current students not enrolled by May 3rd, will have to go through the lottery process.

As a reminder, if you have not signed up for the parent portal, the link was emailed to you from noreply@ecr charter.org. You will need to create your account in Infinite Campus before you can access the registration forms.

Please call the school with any questions.

After School Programs

There is still space available to sign up. Please use the form link below to register.

[After School Program Form](#)

Wednesdays
3:15-5:15pm

- D & D (3-12)
- Tutoring (K-12)
- Lego Club (K-6)
- Woodburning (7-12)

Students will NOT be allowed to attend afterschool programming unless they have a signed application. After 5 unexcused absences, your child will lose their program slot and it will be given to the next child on the waiting list.

Thank you Ms. Edith and all the staff members that have assisted in the preparation of our online registration system inside of Infinite Campus!

FIRST EARTH DAY, 1970

Recognizing its potential to inspire all Americans, Hayes built a national staff of 85 to promote events across the land and the effort soon broadened to include a wide range of organizations, faith groups, and others. They changed the name to Earth Day, which immediately sparked national media attention, and caught on across the country Happy. Earth Day!

Awesome Student Work at ECRA!

Important Testing Information for Parents

- Students arriving late can't be sent to class if the test has started. If it is NM-MSSA, the student can join after the session is over. If it is in the morning, the student can take the next session with the class. If it is NM-ASR, the student can't take the test that day. The sessions have to be in order and the students have to be on the same session in the room. They will need to complete a make up session another day.
- Students can't be picked up in the middle of a session. Sessions that have started can't stop and restart.
- No cell phones, smart watches, etc.
- Remote students must be onsite for testing.
